

Have your next meal **on us.**

Restaurants, food courts and cafeterias depend on our trays. Our products have been coming to you from Norseman Plastics for years. Serving Solutions continues the tradition of quality and service, now with a focus on trays for the food service industry.

As specialists, our food trays are manufactured to the highest standards and include the following features:

- Durability
- Dishwasher safe
- Stackable (compatible with other brands)
- Stain & odor resistant
- Strong (with reinforced rims and corner ribs)
- Lightweight
- Textured finish (reduces slip, conceals scratches, linen & basket weave finish available)
- Available in a variety of colors, including translucent
- Custom colors and hot stamping available
- Recyclable

Manufactured with superior quality, service and dependability, Serving Solutions food trays are an economical alternative designed to meet the exacting needs of the food service industry. With convenient sizes and colors to choose from, all our trays are equipped with a unique, textured surface that resists slipping and conceals scratches.
